Our Mission:
Reach Out and Read makes literacy promotion a standard part of pediatric primary care so that children grow up with books and a love of reading.

Our Model:
In the exam room, trained doctors and nurses talk to parents about the importance of reading aloud to their children.

At each check-up from 6 months to 5 years, the child receives a new book to take home.

In the waiting room, volunteers read aloud to children modeling behavior for parents.

For information about participating in the Reach Out and Read program at LSUHSC Shreveport, please call 675-6170.
